

About Me

I am a full-stack software engineering student seeking employment as a software developer. I am well versed in Javascript, Python, and React.js and also eager to learn new skills and languages. I have experience working in SCRUM teams in which we utilized Github for version control.

Education

Kenzie Academy

Front-End Web Development Certification
Full-Stack Web Development Certification

Indianapolis, IN

Apr 2021
Oct 2021

Purdue University - College of Health and Human Sciences

- CSS3
- Django

Technical Projects

GitItDone.js - Productivity ToDo App

Scrum Master, Product Owner

Code: <https://github.com/caseymockbee97/kapstone19>

Technologies Used: JavaScript, React.js, Node.js, Express, Zustand, Postman, Git

- Developed a full-stack web application with a small team in under 3 weeks
- Utilized Node.js with Express to create a CRUD Api hosted on glitch.me
- Implemented react-beautiful-dnd to add drag and drop functionality to the project
- Deployed front-end to github pages and back-end to glitch.me

Kwitter - Twitter Clone

Scrum Master

Code: <https://github.com/kenzie-se-q2/kwitter-caseymockbee97>

Technologies Used: JavaScript, React.js, Zustand, Postman

- Developed a front end Twitter clone with React and Material-UI in under 2 weeks
- Utilized Material-UI's component library
- Connected our frontend with a pre-existing API

Work Experience

Remote Tutor - Kenzie Academy

Jan 2021 to Apr 2021

- Performed demos on JavaScript, CSS, and HTML fundamentals
- Held 1-on-1 and group tutoring sessions for students through Zoom
- Maintained weekly meetings with key students who were falling behind
- Provided students guidance and assistance on debugging their code

Room Attendant, Self Inspector - Xanterra

Summer 2019 and 2020

- Assisted in opening the hotel for the season in a small team of room attendants
- Acted as room attendant, day porter, and room inspector during staff shortages
- Aided guests when they needed help, or their standards were not met to ensure guest satisfaction

- Trained several new employees from numerous cultural backgrounds
- Completed daily task lists within the time standard

Line Cook, Expo, Cashier - Noodles and Company

Jan 2020 to Jul 2020

- Excelled in three unique roles over the course of 6 months
- Adjusted and implemented new standards and processes to keep up with quickly changing circumstances
- Cultivated relationships with people from a variety of cultural backgrounds

Camp Counselor - Conner Prairie

Summer 2017 and 2018

- Responsible for maintaining a safe and stimulating environment for campers ages 5 to 15
- Promoted skills development for campers in higher risk activities including archery, canoeing, and swimming
- Maintained a positive environment by providing a balance of positive and corrective feedback to campers and communicated daily updates to parents
- Facilitated team building activities with both counselors and campers
- Led training activities for new employees during orientation and throughout the summer
- Developed a schedule of activities for my group weekly in coordination with other counselors

Summer Replacement Student - Elanco Animal Health

Summer 2016

- Ensured the shipment of companion animal medications
- Completed various projects for managers involving Microsoft Excel, Word, and Outlook
- Streamlined the transition of replacement employees through tailored training activities

Line Worker, Cook, and Cashier - Qdoba Mexican Eats

Sep 2013 to Jan 2016

- Adapted to fill various roles within the quick service establishment
- Gained experience working in a fast-paced work environment
